LETTER FROM THE EDITOR ≡

ALWAYS BE PREPARE TO SERVE THE SOCIETY

A very happy and blessed new year to all the donors, readers, members and volunteers. The edition collects the work actively performed by the Foundation in the last our months in 2021.

Presently the Covid-19 (#third wave) has started affecting many livelihoods and has once again thrown a challenging time for all of us, so keeping the patience and stillness inside, once again we will have to prepare ourselves to protect the lives of others and ourselves.

Stay home, stay safe, maintain the social distance, follow the guidelines.

LITERARY & CREATIVITY SECTION

ON THE NATURE OF LOVE

The night is black and the forest has no end;
a million people thread it in a million ways.
We have trysts to keep in the darkness, but where
or with whom - of that we are unaware.
But we have this faith - that a lifetime's bliss
will appear any minute, with a smile upon its lips.
Scents, touches, sounds, snatches of songs
brush us, pass us, give us delightful shocks.
Then peradventure there's a flash of lightning:
whomever I see that instant I fall in love with.
I call that person and cry: 'This life is blest!
for your sake such miles have I traversed!'
All those others who came close and moved off
in the darkness- I don't know if they exist or not.
